

SGS/2023-24/Circular No. 0004

Date: 27/04/2023

Dear Parents,
Namaskar!

At SGS we understand the importance of enriched vocabulary and we would like to implement a school-wide vocabulary improvement program.

We have a strong belief that knowing more words gives our children the tools to express their thoughts in depth and with more accuracy. A strong vocabulary enhances the writing style and helps you avoid using vague words. It also helps in developing a better understanding of others because of the wide range of perspectives and ideas.

To begin with, we are introducing value-based vocabulary words as per the given schedule for the Pre-primary and Primary wings:

- **Monday- Mannerism**
- **Tuesday- Teamwork**
- **Wednesday- Welcoming others, Greetings**
- **Thursday- Thanks Giving**
- **Friday- Forgiveness**
- **For the Middle Wing-Idioms**

The class teacher will share the list of vocabulary words with you. Please ensure that you use the vocabulary words at home as well and include it in daily conversations with your children.

Happy Learning!

Warm Regards
Principal
