Dear Parent,
Namaskar!

***“Coming together is a beginning, staying together is progress, and working together is success.”
– Henry Ford***

With immense pleasure, we share with you that we have successfully begun our first session at Sparsh Global School. It has been some wonderful days when we are getting to know our students better. We would like to keep a two-way communication channel with our parents too and seek their partnership for the overall growth of the child. Collaboration allows us to know more than we are capable of knowing by ourselves.

As part of our Parent Connect initiatives, we are introducing ***‘Sparsh Sahyog’*** where the class teacher of your ward will be connecting with you over a telephonic conversation at a mutually convenient time. It is a path taken wherein parents can discuss the progress, any concern and share their experiences with the school. We look forward to a healthy feedback session with you all.

The schedule for calling will be shared with you very soon as we start the ***Sahyog*** program in the upcoming week.

Warm Regards
Sparsh Global School
