"Let us together help and motivate our young learners to become able leaders of tomorrow"

Dear Parents,

Namaskar!

The Student Council provides students an opportunity to develop their leadership qualities, wherein the students shoulder the responsibilities pertaining to the school along with the faculty members. It is an excellent platform to groom young leaders.

Student Council is an organization conducted by students and supervised by adults. The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out school activities and service projects. In addition to planning events that contribute to school spirit and community welfare, the student council is the voice of the student body. They help share student ideas, interests and concerns with the school wide community. Any student that is interested in leadership, organizational behaviour, event planning or becoming more involved in the school is welcome to become involved.
