Circular No. SGS/2023-24/0017   Date: 03/08/2023

Dear Parent,
Namaskar!

Digital Literacy Championship for Students Aged 8-14 years

Digital literacy means understanding technology, and using it responsibly to stay safe online.

UNESCO says "Students with well-developed digital literacy skills score better in all areas."

Upto 400 top scoring students from Level 1 will compete in the India Finals for 100+ awards & recognitions including coveted title of "INDIA CHAMPION OF DIGITAL LITERACY." COMPUDON JUNIOR, championship on Digital Literacy, now in Season-IV, continues to build upon the legacy of COMPUDON (www.compudon.in)

The material for the exam has been mailed on the Microsoft Teams Id.

The Exam Objectives are:
