Dear Parent,
Namaskar!

"Art enables us to find ourselves and lose ourselves at the same time." - Thomas Merton.

Tribal Art has a rich history of art and culture. There are various tribes in the world and most of them express themselves through art and songs. With time the art has moved from stone and mud walls to canvas. Tribal Art also helps us to immerse ourselves in the stories and customs of tribal communities.

We at Sparsh are celebrating '*International Day of the World's Indigenous Peoples*', to celebrate Indigenous Peoples and their connect with mother nature. In 2023, the theme will focus on, 'Indigenous youth as agents of climate change'.

Sparshites will get the opportunity to attend an art workshop in school premises. Following activities have been organized for students of grades **III-VIII**. Kindly make a note of it.
