Dear Parent,
Namaskar!

We will be remembered only if we give to our younger generation a prosperous and safe India, resulting out of economic prosperity coupled with civilization heritage.

-A.P.J Abdul Kalam

Freedom is essential as it gives us the right to be ourselves, helps us to work together so as to maintain the autonomy. Freedom is a necessary ingredient for the pursuit of happiness for everyone.

As we know, on 15 August 1947 India was declared independent from British colonialism and since then India is at the trajectory of progress. It is a matter of pride for all Indians to be celebrating our 76th Independence Day this year. We, at Sparsh Global School, are celebrating this day with great enthusiasm.

To commemorate the 76th Independence Day of India and to help develop in our students a feeling of patriotism and pride in our motherland, various activities are planned across grades. The activities will be held on **14th August 2023** along with a **special assembly** on Independence Day.
