Dear Parent,

Namaskar!

In early childhood, the foundation for lifelong learning is established. Essential skills, particularly linguistic skills, are shaped during this time. At Sparsh, we focus on phonetics to build strong reading and speaking abilities in children. In collaboration with the Jolly Phonics team, we're hosting a workshop for parents of our young learners to explain this approach in more detail.

Save the date: 4<sup>th</sup> November 2023, Saturday

Venue: Sparsh Global School, Greater Noida

Time: 09:45 am- 12:15 pm

Warm Regards

Ms.Monika Radhawa
