

Circular No, SGS/2023-24/0033

Date: 16/11/2023

Dear Parents,

Namaskar!

“It’s not how much we give, it’s about how much love we put into giving”- Mother Teresa

In the spirit of the Joy of Giving, the Sparshites will be embarking on a heartwarming visit to an orphanage. This noble initiative aims to share the abundance of joy and material blessings with the less privileged children, spreading smiles and happiness. This gesture reflects the values of empathy and kindness that Sparsh Global School stands for.

The schedule will be as follows:

Date	Class	Commodities
20.11.2023	Grades 5 to 8	½ kg rice, ½ kg pulses and stationery
21.11.2023	Grade 1 to 4	dry cake and stationery
22.11.2023	Pre primary	biscuits and stationery

Students may bring one or two commodities of their choice as per the options mentioned above on or before November 20th 2023 and hand over to the class teacher. We seek your support in this meaningful endeavour.

Let’s kindle the spirit of kindness among our students.

Note:

- The students will be visiting an orphanage during the school hours.
- Contribution is not mandatory.

Warm regards,

Monika Randhawa

Principal

Sparsh Global School
