

SWACHATA PAKHWADA

Circular No.: SGS/0079

Date: 26.09.25

Dear Parent,

Namaskar!

As per the CBSE circular on **Swachhata Pakhwada 2025**, our school is organizing a cleanliness sensitization activity on **29th September 2025** within the school premises.

The objective of this initiative is to instill in our students the values of cleanliness, responsibility, and community participation. Under the guidance of teachers and the school cabinet, students will actively participate in keeping their classrooms and surroundings neat, clean, and organized.

We request you to send your ward with a **dry duster** on the day of the activity.

Your support in encouraging students to develop lifelong habits of cleanliness and hygiene is highly appreciated.

Warm regards,

Dr. Monika Randhawa

Principal

Sparsh Global School
