

Circular No: SGS2026-27/001

Date:05/04/2026

“Kindness is a language which the deaf can hear and the blind can see.”

Dear Parents

Namaskar!

This is to inform you that the school will be conducting a SABR (Students Against Bullying and Ragging) Orientation for students of Grades Nursery to V on 10 April 2026. The session is designed to create awareness among students about kindness, respect, empathy, and the importance of maintaining a safe and supportive school environment.

This initiative aligns with the vision of Sparsh Global School to nurture compassionate, responsible, and confident learners in a safe and inclusive environment.

During the orientation, students will be engaged through age-appropriate discussions, stories, videos, and interactive activities focusing on:

- Understanding bullying and ragging in age-appropriate contexts.
- Encouraging empathy, kindness, and respectful interactions.
- Guiding children to report concerns confidently.
- Understanding the concept of bullying in a simple and sensitive manner.
- Learning the importance of kindness and inclusion.
- Developing respectful behaviour towards peers.
- Knowing how to express their feelings and seek help from adults.
- Building a positive and safe classroom environment.

The objective of this initiative is to encourage students to become responsible, caring, and confident individuals who contribute to a bullying-free school environment.

Warm Regards

Dr. Monika Randhawa

Principal (SGS)

President-Centre of Excellence

Academic Research & Training and Development
