

Subject Orientation for Parents (Pre-Primary to Grade V)

Circular No: SGS2026-27/0002

Date:08/04/2026

“An investment in knowledge pays the best interest.”

— Benjamin Franklin

Dear Parents

Namaskar!

At **Sparsh Global School**, we believe that meaningful learning flourishes when the school and parents work in close partnership. With this vision, we are pleased to invite you to the **Subject Orientation Session** for parents of **Pre-Primary to Grade V**, scheduled on **Saturday, 11th April 2026 at 9:30 a.m.**

Venue Details:

- **Pre-Primary:**
- **Grades I–V:**

The purpose of this orientation is to provide you with a comprehensive understanding of the **Cambridge Curriculum** for **English and Mathematics**. This session will offer valuable insights into how learning is thoughtfully designed to nurture curiosity, conceptual clarity, and independent thinking among learners.

Unlike traditional approaches, the Cambridge framework emphasizes **application-based learning, skill development, and deep conceptual understanding rather than rote memorization**. Through this interaction, you will gain clarity on:

- The pedagogical approach adopted in classrooms
- Learning outcomes and academic expectations for the session
- Assessment patterns and evaluation criteria
- Ways in which you can effectively support your child’s learning journey at home
- Resolution of any queries or concerns you may have regarding the Cambridge curriculum

Why Your Presence Matters:

Your participation will empower you with the knowledge and perspective needed to align with the school’s methodology, enabling you to guide and support your child with greater confidence and clarity. It will also help build a shared understanding that is essential for your child’s holistic academic growth.

Kindly Note:

In the absence of attending this orientation, there may be a lack of clarity regarding the curriculum structure, teaching practices, and academic expectations, which could make it challenging to effectively support your child throughout the academic session.

We strongly encourage your presence for this important and enriching interaction.

Warm regards,

Dr. Monika Randhawa

Principal (SGS)
