

“All the world’s a stage, and all the men and women merely players.” – William Shakespeare

Dear Parents
Namaskar!

With great enthusiasm, we are delighted to announce the celebration of Literary Week in our school under the theme “Explore, Imagine, Express.” The Literary Week will be held from April 13 to April 17, 2026 for students from Nursery to Grade 12. This special week is being organized to foster a deep appreciation for literature, language, and creative expression among our students, while enhancing their reading, writing, speaking and listening skills, encouraging creative and critical thinking, and building confidence through participation.

The celebration holds particular significance as it marks the birth anniversary month of the legendary playwright and poet William Shakespeare, whose contribution to English literature continues to inspire readers and learners across the world.

A variety of thoughtfully designed activities have been planned for each class from Nursery to Grade 12. Each class will participate in a specific activity designed to suit their level, ensuring meaningful and age-appropriate engagement. Aligned with our school’s vision of the 3Cs—Character, Competency, and Careerism, this Literary Week will help students build confidence and empathy, strengthen language and thinking skills, and develop communication and creativity for future readiness.
