

May Day Donation Drive

Circular No: SGS2026-27/008

Date:22/04/2026

Dear Parents

Namaskar!

“The best way to find yourself is to lose yourself in the service of others.”

– Mahatma Gandhi.

Keeping this spirit of service and gratitude alive, **Sparsh Global School, Greater Noida**, will be observing **May Day on 30th April 2026**, a day dedicated to acknowledging the dignity of labour and expressing our appreciation for the hardworking individuals who contribute tirelessly to society.

On this meaningful occasion, the school is organising a **Donation Drive** to encourage our students to develop empathy, gratitude, and a sense of responsibility towards the community. Through this initiative, students will learn the importance of sharing and caring for those who support us in our daily lives.

This activity is thoughtfully designed in alignment with Sparsh Global School’s 3C Model, fostering **strong character values** and enhancing **core competencies** through meaningful engagement and experiential learning. By participating in this drive, our students will practice **care for the community, compassion for those in need, and commitment towards building a more thoughtful and responsible society.**
